

PIQUET REALTY

PIQUET REALTY

WHO WE ARE

Due to its innovative strategies and dynamic approach, Piquet Realty, with its founder and president Cristiano Piquet, have set the trend for service in the real estate market.

With hundred of sales associates and partners throughout the United States, Brazil, and other countries, Piquet Realty has established a significant flow of lead generation, through its international and domestic affiliate programs, with its well-established licensed real estate brokers. Our expertise in the luxury real estate market has generated over one billion dollars in sales.

The company can be distinguished from competitors by its international marketing efforts and exclusive events, taking business development to a new level.

Because of the ever growing foreign and local market, Piquet Realty is now represented in major U.S. cities such as Miami, Orlando, and New York. In 2013, we received an award, for being the top international real estate company, by the Miami Chamber of Commerce.

THE BENEFITS OF LISTING WITH US

WEB MARKETING

Piquet Realty's marketing department prides itself in providing high quality service when advertising your property, featuring it on over 500 websites around the globe and through our social media platforms.

BRAND EXPOSURE

In order to create a relevant presence in today's market, Piquet Realty sponsors strategic worldwide events, creating a global presence, attracting a steady flow of prospect clients interested in different types of property.

IN-HOUSE **MARKETING**

Our marketing team uses different platforms to market each listing. From presentation booklets, strategic direct mailing to social media ad campaigns, your property will be seen by thousands of potential buyers.

COMMERCIAL PARTNERS

With the goal of broadening our horizons, Piquet Realty has built a worldwide network of agents. The Affiliate Program has enhanced our marketing platform, allowing us to advertise properties to prospect clients in various countries, increasing the chances of finding the right buyer in less time.

AGENT NETWORK

Piquet Realty uses an internal system where our real estate consultants can interact with each other and store information about their clients, facilitating access to sales information. In addition, the program allows agents to know when a prospect client contacts the company by sending the client's information to one of our professionals.

MEDIA EXPOSURE

Due to Piquet Realty's thriving success, various news outlets from around the globe have highlighted the company's endeavors.
